**STATUS LETTER**

The above application was filed on Jan 15, 2002. Pursuant to 35 USC §1.56(d)(2)(A)(ii), a notification of the application from the Commissioner for Patents to the Secretary of Health and Human Services was required to have been provided within 60 days of filing, together with a copy of the application. This notice was due March 16, 2002.

It is now 37 days later and the Commissioner apparently has not yet provided the statutory notice to the Secretary. If there is a reason for the delay please inform the undersigned of the reason and the date the Commissioner expects to provide the notice. If there is no reason, please provide the notice forthwith so that the processing of the application can proceed in accordance with the statutory processing requirements.
